That's not necessary -- this defendant is only charged with the oxy's on that date. We've cut a plea deal with the co-defendant. Thank you

Hi Greg,

I was looking at the drug receipt for the lab # you requested and was wondering if you wanted the lab notes for the additional #'s listed ([REDACTED]) as well?

Kate: at your earliest convenience, could you email the "discovery package" for the testing associated with lab # [REDACTED] (150 tablets – oxycodone). The matter is scheduled for trial on 11/15. Thank you.
